

Contents

1 Comprehensive Practice of Sequence Stratigraphy Techniques and Methods	1
1.1 Sequence Stratigraphy Study Overview	1
1.1.1 Current Status and Prospect of Sequence Stratigraphy Study	1
1.1.2 Sequence Stratigraphy Study Methods	4
1.2 Sequence Stratigraphy Application in Clastic Formation	7
1.2.1 Palynological Stratigraphy Study and Application Effect	9
1.2.2 Comprehensive Study on Sequence Stratigraphy of B-Z Area, Muglad Basin	33
1.2.3 High-Resolution Sequence Stratigraphic Correlation of an Area in the South Turgai Basin	46
1.3 Sequence Stratigraphy Application in Carbonate Formation	82
1.3.1 Study Overview	82
1.3.2 Correlation of Carbonate Sequence Stratigraphy in the Central Block of Pre-Caspian Basin	84
References	100
2 Comprehensive Practice of Structural Analysis and Sedimentary Facies Study	103
2.1 Structural Interpretation and Traps Evaluation	103
2.1.1 Detailed Structural Interpretation and Analysis in TM Area, South Sudan	105
2.1.2 Structural Analysis and Traps Evaluation in B-Z Area, Muglad Basin	119
2.2 Analysis Techniques of Sedimentary Facies	139
2.2.1 Palynofacies Study and Application	143
2.2.2 Carbonate Sedimentary Facies Study in the Central Block of Pre-Caspian Basin	161
References	189

3	Comprehensive Practice of Reservoir Prediction and Evaluation . . .	193
3.1	Reservoir Prediction	193
3.1.1	Geostatistical Inversion Study on Reservoir Prediction in MC Oil Field, Melut Basin	195
3.1.2	Comprehensive Seismic Reservoir Prediction of a Carbonate Reservoir in Z Oil Field, Pre-Caspian Basin	210
3.2	Reservoir Evaluation Techniques and Applications for Complex Reservoirs	234
3.2.1	Logging Evaluation of Carbonate Reservoirs	238
3.2.2	Logging Evaluation of Metamorphic Reservoirs	271
3.2.3	Logging Evaluation of Clastic Reservoirs	304
	References	329
4	Exploration and Evaluation Techniques of Subtle Reservoirs	331
4.1	Subtle Reservoirs Study Overview	331
4.1.1	Status and Development Trend of Subtle Reservoirs Study	331
4.1.2	Difficulties and Technical Methods for Subtle Reservoirs Study	334
4.2	Identification and Evaluation of Lithologic Reservoirs	339
4.2.1	Lithologic Reservoirs Characteristics	339
4.2.2	Lithologic Reservoirs in P Oil Field, Melut Basin	342
4.2.3	Carbonate Lithologic Reservoirs in ZR Oil Field, Pre-Caspian Basin	352
4.3	Identification and Evaluation of Stratigraphic Reservoirs	363
4.3.1	Features of Stratigraphic Reservoirs	363
4.3.2	Stratigraphic Reservoirs of the Exploration Area in South Turgay Basin	366
4.3.3	Stratigraphic Reservoirs of B-Z Area in Muglad Basin . . .	371
	References	388
